COWEE'S GLADIOLI

1912 Price-List and Guide to Varieties

PEACE—The Grandest of All Gladioli. One of the famous Groff Hybrids, and the nearest to a pure white yet obtained. Because of its wonderful purity, and the prominent place which it is bound to take wherever grown, it was given the international title, "Peace."

The plant is of massive proportions, striking and attractive. The broad, heavy foliage is rich green, erect and vigorous in habit, evidence of a constitution which is rare in light hybrids. Its unusual reproductive powers, by offsets and division, give further evidence of its vigor. Corms often weigh four ounces, and produce plants five feet high before the spike appears.

The flowers are large, of perfect form, and correctly placed on a heavy, straight spike. They are white, of rare purity, with pale lilac feathering on the inferior petals. It is not too much to claim for it the distinction of being the grandest variety ever offered. No lover of the Gladiolus who has once seen Peace will ever be without it in his garden.

For cutting and for decorative work, Peace is unapproached. It is a splendid keeper, never failing to open every bud, if kept in water. In order to widely introduce this splendid gladiolus, I am, this season, making a great reduction in price. Fine selected bulbs, \$3 per doz., \$25 per 100, \$84 per 500, \$140 per 1,000.

Cowee's Superb Collection of the World's Best Named Gladioli

Gold Medal Collection

COWEE'S GOLD MEDAL COLLECTION

Groff's Extra-Select Gladioli

In the preparation of this collection over 600 named varieties were discarded. Every desirable section is represented—Gandavensis, Lemoine, Nanceianus, Blues and New Hybrids. The flowers are of largest size in their respective types, and plants of great vigor and vitality. No better value could be desired. The Gold Medal Collection is offered in lots of 25, 50, 75 and 100 bulbs or upwards. Every collection is separately prepared, and in orders of 1,000 or more bulbs few duplicates will be found.

Postpaid, 25 bulbs \$3.25, or 50 bulbs \$6.25. Express collect, 100 bulbs \$12. No order accepted for less than 25 bulbs. If by express, 25 at 100 rate.

THE GOLD MEDAL COLLECTION IN COLOR SECTIONS

These are especially select collections of new hybrids, prepared from the cream of the world's named

introductions; Gandavensis, Lemoine, Nanceianus. In making up these collections, several hundred varieties, many possessed of great merit, were discarded.

No order for less than 25 bulbs accepted. If by express, 25 at 100 rates.

1. **Selected New Dark Hybrids.** All shades and combinations of red, scarlet, and crimson. Quality the very highest. Postpaid, 25 bulbs \$2.75 or 50 bulbs \$5.25. Express collect, 100 bulbs \$10.

COWEE'S WORLD'S FAIR COLLECTION

Groff's New and Rare Gladioli

Expensive named varieties have been selected for this collection without regard to cost. It includes many high-class novelties of recent introduction and the cream of high-quality Gladioli of extra-choice type. It is impossible to describe the intensity of color, combined with striking and unusual markings, in the World's Fair Collection. The flowers are of exceptional size and the shades are of red, scarlet, crimson, cerise, yellow, blue and light colors, all of the purest quality. I have given special attention to growing the varieties included in this collection, and I am sure you will be pleased with the size of the bulbs, the beauty of the flowers, and the strength of the plants. Postpaid, 25 bulbs \$5.25, or 50 bulbs \$10.25. Express collect, 100 bulbs \$20. No orders accepted for less than 25 bulbs. If by express, 25 at 100 rate.

COWEE'S "IMPERIAL" TWO-DOLLAR COLLECTION

For this collection I have selected six of the very largest and finest kinds of new Gladioli. One extra-choice bulb of each of these new introductions will be sent by mail, postpaid, for only \$2.

Peace. The grandest white ever offered. (See p. 1.)

La Luna. Buds open as a pale yellow, passing to white when expanded. Throat is beautifully marked brown. Plant over three feet high.

Dawn. Strong, vigorous plant over four feet high. Flowers salmon, shading to white, claret stain on inferior petals.

Blue Jay. Best blue variety ever offered. The pronounced blue, relieved by white shading, strikingly resembles the coloring of the bird from which it is named. Plant vigorous, often six feet high. Flowers large.

Victory. Without doubt this is the best yellow. Flowers of medium size, of delicate sulphur-yellow and well arranged on a straight spike.

Faust. Deep velvety crimson flowers of large size, arranged on a spike about four feet high. The two lower petals are suffused with white.

COWEE'S "NOVELTY" DOLLAR COLLECTION

The "Novelty" collection is composed of six fine sorts, selected to cover a rich range of color. For the small sum of \$1 I will send, postpaid, one fine bulb of each of the following named varieties:

Berlinia. Beautiful shell-pink, blotched carmine.

Eldorado. Clear yellow, spotted maroon and black.

General de Nansouty. Rich bluish purple, marked with crimson and lemon-yellow.

TEN NAMED GLADIOLI FOR FIFTY CENTS

This is in every sense a real bargain. Each variety is of distinct merit and very desirable. Because of the extremely low price I can allow no changes. For 50 cents I will send, postpaid, one good bulb of each of the ten following varieties:

Augusta. White with blue anthers.

Senator Volland. Blue, dark violet blotch with yellow stain.

Brenchleyensis. Brilliant vermilion-scarlet.

COWEE'S MIDWAY COLLECTION

This collection is especially prepared as an intermediate section between the Gold Medal and Silvery Trophy Strains of Pan-American fame and those of a popular character, following all in high types of commercial value. It is prepared from all sections in new named varieties of European origin, which until the introduction of the Gold Medal and Silver Trophy Strains at Buffalo, led the world; also a few of the earlier introductions of Groff's hybrids.

Postpaid, 25 bulbs \$1.50 or 50 bulbs \$2.75. Express collect, 100 bulbs \$5. No orders accepted for less than 25 bulbs. If by express, 25 at 100 rate.

SILVER TROPHY STRAINS**Groff's "World's Best" New Hybrid Seedlings**

Only large blooming bulbs are offered.

Of course these are all grown at Meadowvale Farms, and with the one object in mind of giving something that is unusually good—yet at a price that is not so high as to be prohibitive. In the three classifications as given in this list, you have an assortment of colors that will make a most charming grouping in any part of your garden. Possible variation in colors as here classified, due to out-crosses, will be covered by extra count in filling orders. No orders accepted for less than 25 bulbs. If by express, 25 at 100 rate.

1. **Newest Reds, Scarlets and Crimson.**

The world's commercial strains offer few equal to and none better than these. Postpaid, 25 bulbs \$1.00, or 50 bulbs \$1.75. Express collect, 100 bulbs \$3.00.

2. **New White, Light and Yellow.**

All shades of white, cream and yellow in many combinations relieved by stains and blotches of rich colors. Postpaid, 25 bulbs \$1.25, or 50 bulbs \$2.25. Express collect, 100 bulbs, \$4.

3. **Rare Blues, in Clematis, Lilac and Heliotrope Shades.**

New Hybrids of Papilio Major, practically unknown. No such seedlings offered elsewhere. Postpaid, 25 bulbs \$1.50 or 50 bulbs \$2.75. Express collect, 100 bulbs \$5.

Cowee's Gladioli have brought the joy of the garden to many. Read what some of them say. They will bring that same joy to you.

I wish to add in conclusion that I am more than enthusiastic about my Gladioli. I am giving your stock a test with others; so far nothing that I have surpasses your stock and in but few instances does it equal it.—D. H., Frankfort, Ky., July 11, 1911.

I can give you no idea of the joy and satisfaction your Gladioli have been in our home; they are literally things of beauty and a joy for a long time.—Mrs. E. A., St. Louis, Mich., Feb. 10, 1911.

I am writing to tell you that the Gladioli bulbs that you sent me have been very satisfactory, the flowers are beautiful and the colors and markings fine. They have added much to the beauty of my garden and my pleasure.—B. B., Central Falls, R. I., Aug. 27, 1911.

Last March I sent for your \$1.00 collection and to say I was pleased with results is putting it mildly. The flowers are splendid and all I could wish. The bulbs or corms I got from them are the largest I ever grew.—D. L., McKeesport, Pa., Jan. 30, 1911.

Directions for Ordering

Order early. Every season, orders reach us too late to be properly executed, on account of the required early planting of some very late-flowering varieties. In filling orders, **no substitutions will be made** unless we are so instructed. Bulbs for greenhouse forcing can be shipped in the autumn after the bulbs are thoroughly cured.

In order to encourage large plantings, all prices quoted are practically wholesale, taking quality into consideration. Excepting the "Imperial," "Novelty" Dollar Collection, the "Superb" Dollar Collection, and the Fifty-Cent Special Collection, I do not accept orders for less than 25 bulbs, which may be selected from as many Mixtures or Named Varieties as desired, and at the price per 100 for shipment via express, charges collect. Upon order for more than 50 bulbs by mail, eight cents postage for each additional 25 bulbs should be included in remittance. Although our mailing size is much larger than is ordinarily used, I advise that, in all cases possible, shipment be made via express, which will permit the sending of larger bulbs. Shipments via express take advantage of my special rate of 20 per cent below the merchandise tariff.

Special Discount to Seedsman, or to those ordering in lots of five thousand or more.

Remittances should accompany all orders from unknown purchasers, and may be made by postoffice order, express order, New York draft, or cash by registered letter. Postage stamps accepted as cash.

Carefully sign your name, giving postoffice, county and state. Address all orders to
